

RESOLUTION NO. 140

WHEREAS the Aurora City Council has determined the J.T. Miller Well (Well#2) is no longer acceptable for use as a municipal well due to coliform contamination, and

WHEREAS said well has been removed from the City's water system, now therefore,

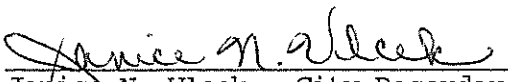

BE IT RESOLVED the Aurora City Council hereby authorizes the City Recorder to sign the cancellation of Application G-11334, Permit G-10458, and forward the same to the State of Oregon, Water Resources Department.

ADOPTED by the Aurora City Council at a regularly scheduled meeting thereof on the 9th day of December, 1986.

Steven E. Starner - Mayor

ATTEST:

Janice N. Vlcek - City Recorder
