

RESOLUTION NUMBER 520

A RESOLUTION SUPPORTING UPDATING THE AURORA TRANSPORTATION SYSTEMS PLAN.

WHEREAS, the City of Aurora desires to create a transportation planning system that serves the needs of all residents;

WHEREAS, Aurora's Transportation System Plan (TSP) was adopted in 1999; and

WHEREAS, the TSP text and associated cost estimates for major transportation projects have not been updated since the TSP was originally adopted; and

WHEREAS, with population growth and traffic increasing in the city, particularly along Highway 99E, the factual base of the TSP, especially traffic counts, needs to be updated; and

WHEREAS, cost estimates for major transportation improvements need to be updated and a Capital Improvements Program and associated updated Systems Development Charge need to be adopted;

NOW THEREFORE IT BE RESOLVED, that the Aurora City Council fully supports submission of a grant request to the Oregon Transportation and Growth Management Program to fund the necessary update to the Aurora Transportation Systems Plan.

INTRODUCED 13th, DAY OF FEBRUARY 2007.
