

**CITY OF AURORA**

**RESOLUTION NO. 570**

**A RESOLUTION ADOPTING THE WATER SYSTEM MASTER PLAN**

**WHEREAS**, the City Council of the City of Aurora wishes to provide the citizens of Aurora a safe and dependable potable water supply that has adequate water quantity and quality to meet the needs of the City; and

**WHEREAS**, consultant John Ashley, Ashley Engineering was authorized by the City of Aurora to develop the Water System Master Plan.

**WHEREAS**, Ashley Engineering has completed a comprehensive analysis of the City of Aurora's water distribution system to identify system deficiencies, to determine future water distribution system supply requirements and to recommend water system facility improvements that correct existing deficiencies and provide for future system expansion; and

**WHEREAS**, the planning and analysis efforts include consideration of the recommended distribution system improvements with the City's long term water source and supply decision; and

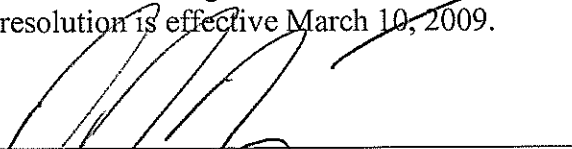

**WHEREAS**, the long term water source and supply decision is in process and will be documented in an amendment to this Water System Master Plan, and

**WHEREAS**, after due consideration and multiple public involvement opportunities, staff recommends acceptance of the Water System Master Plan.

**NOW, THEREFORE, THE CITY RESOLVES AS FOLLOWS:**

**THE CITY OF AURORA THAT:**

**THE WATER SYSTEM MASTER PLAN IS ADOPTED** by the Aurora City Council at its regular scheduled meeting held on Tuesday, March 10, 2009. This resolution is effective March 10, 2009.
