FOR THE CITY OF AURORA)	

On September 5, 1989 the Department received the City of Aurora's final periodic review order pursuant to ORS 197.641 and the Commission's periodic review rule, OAR 660, Division 19. The Director, having fully considered the City of Aurora's final periodic review order and the comprehensive plan and land use regulations as amended, now enters the following:

Findings of Fact

1. The Director has reviewed and hereby adopts the City of Aurora's final periodic review order, text and findings (Exhibit A) as findings of fact of the Director required under ORS 197.640 and OAR 660, Division 19.

2. The Director finds that notice was given on September 11, 1989 as required under ORS 197.641. No objections to the periodic review order were filed with the Director and the local government under ORS 197.643.
