CITY OF AURORA SCHEDULE OF FEES/DEPOSITS FOR PLANNING & ZONING APPLICATIONS

The following estimated user fees are hereby imposed as a fee/deposit against the actual cost for processing land development applications and related permits. The "user fee" philosophy underlying these charges is designed to eliminate the amount of general fund monies used to process land development applications and permits, by charging the entire cost of the City providing that service directly to the person utilizing or receiving the benefit of the service. In this way, existing property tax revenues are not used to subsidize the processing of new land development applications.

Where the term "actual costs" is used, these costs include, but are not limited to, services rendered by the city planning consultant, city engineer consultant and city attorney, as well as all City administrative costs for communicating and meeting with the applicant/property owner and others, public notices, agency referral notices, staff reports, notices of decision, development agreements, correspondence, postage, photocopying, supplies, financial accounting and city clerical work.

If the actual costs exceed the deposit, the City reserves the right to request an additional deposit from the applicant/owner and the City will send an invoice for the additional charges to the applicant. The City shall not issue final approvals for land development and/or issue building permits, until all land development and other fees, including any additional charges are paid. If the applicant chooses to withdraw the application before preliminary approval has been issued by the City, then any unused deposit fees shall be refunded to the applicant upon the City's receipt of the applicant's written withdrawal and request for refund.

NO APPLICATION SHALL BE REVIEWED OR ACCEPTED FOR PROCESSING TO DETERMINE ITS COMPLETENESS UNTIL ALL FEES/DEPOSITS ARE PAID. Please note that additional land development and building permit fees/deposits may be required by the City, Aurora Rural Fire District, Marion County or State of Oregon.

This schedule of fees/deposits is amended effective February 13, 2024 pursuant to City Resolution No. 851, and is applicable to the following land development applications and related permits. The costs for application processing shall be based on the actual costs to the City of such processing and shall be based on the following hourly rates:

City Contracted planning services \$76-110/hr. City Public Works \$70.00/hr. City Contracted Engineering Services \$130-231/hr. City Staff \$60.00/hr.

City Attorney \$225.00/hr.

<u>PLEASE NOTE:</u> The following fees/deposits marked with an asterisk (*) require that public hearing notices be published in the Canby Herald, which additional cost of publication shall be charged to the applicant.
